

For more years than The Independent can tell, Beamsville has always had a good brass band. The present organization pictured above is without a doubt the best one that the eastern village has ever had. This band in the past 15 years has won many prizes and band contests at various points in Ontario including the Toronto Exhibition.

Bottom Row, left to right: Henry Jansen, Frank Jones, Harold Nickawa, George Konkle (for 52 years a bandsman), Fred. Romagnoli, Ken Nickawa.

TWO ALARM BLAZE DESTROYS FRUIT PLATFORM AT BEACH

"Good And Faithful Servant"

A. C. Price, (right), former Bell Telephone manager in Grimsby, receives the president's wallet from G. C. Garner, Bell's central division manager, at a dinner on June 19th, marking Mr. Price's retirement after 47 years' service with the company.

Firemen Fight Fire With 2000 Feet Of Hose For Over Five Hours—Fast Express Delayed By Hose Lines—Hydro Lines Fall—Smoke Chokes Off Highway Traffic.

A two alarm blaze, the first in five years in Grimsby, completely destroyed the more than 200 foot long fruit loading platform at Grimsby Beach on Saturday night.

The huge structure as near as can be learned was set afire by a spark from the locomotive of a fast train that had passed the spot a few minutes previously. The loading platform and fruit shed of A. W. Eickmeier and Son was constructed entirely of wood and was very dry. It was a regular inferno. Flames could be seen for miles in the darkness, the blaze being first noticed just at dusk, nine o'clock.

Fire Chief LePage and his men used over 2000 feet of hose. Hydro lines were brought down by the flames, leaving the Grimsby-Beamsville district in darkness for several hours. Power was rerouted from Hamilton and Thorold. Hose lines across the railway tracks held up the Toronto-New York flier 20 minutes.

Traffic on the Queen Elizabeth Way to the north of the burning structure was brought down to a snail's pace for some considerable length of time by the dense smoke that covered the whole area.

Firemen fought the blaze for five hours before bringing it completely under control, the toughest fire

Taxes Are Going Up

COUNTY RATE STRUCK AT TWO MILLS MORE THAN LAST YEAR

Surplus Of \$25,648 Included In Budget—Total Amount To Be Raised Is \$38,000—Will Make Improvements To Jail.

At the opening of the second day of the June sittings of the Lincoln County Council in St. Catharines, silent tribute was paid by the members in the memory of the late Alexander Swindley of Merriton. Mr. Swindley, who passed away yesterday at his home, was a member of the county council for five years, representing Merriton for four years as deputy-reeve, and one year as reeve. The flag on the county building was flown at half-mast yesterday for the deceased councillor.

Presenting the report of the finance committee, Reeve Leslie R. Lymburder of Caistor, recommended that the budget for 1946 be approved except that the surplus of \$25,648.34 from previous years be included in this year's budget. His recommendation was adopted by council. Consequently, the amount to be raised by county rates this year will be only \$38,000, a slight increase of two mills over the previous year.

Council adopted the report of the (Continued on Page 7)

Give The Kiddies Real Protection

Before Children Start Back To School In The Fall They Should Receive Protective Injections.

When children start to school the chance of exposure to communicable diseases becomes much greater. In the school they meet many more children and the chance of developing one of the infectious diseases is markedly increased.

Mothers who have children beginning school in the fall should make sure that they have been protected against those diseases for which protective sera are available. These include smallpox, diphtheria, and whooping cough. If they have already received a course of injections against these diseases, a booster dose should be given since many gradually lose their immunity.

Your own physician is prepared (Continued on Page 7)

Historic Regiment

6,000 MEN PASSED THROUGH LINC AND WELLS DURING WAR

History Of Unit Dates Back To The Days Of Butler's Rangers In 1783—Connected With Royal Berkshires.

Giving some idea of the sacrifice made during the recent war by the infantry soldier, Lt.-Col. Jim Swayze, officer commanding the Lincoln and Welland Regiment when it was in action, told members of the Niagara District Artillery Association last week that close to 6,000 men and officers passed through the regiment in five years.

Lt.-Col. Swayze, guest speaker at the June meeting of the association held in the St. Catharines armory, traced the history of the Lincoln and Welland Regiment from the days of Butler's Rangers in 1783 to the actions fought in northwest Europe. Throughout ten months of fighting the regiment had lost 18 company commanders on an establishment of four, he said.

Speaking to artillery gunners, some of whom had been in regiments which provided fire support for the "Lincs," the speaker paid tribute to the accurate work of the artillery. He felt that the artillery was one branch of the service in which the Allies had a definite superiority over the enemy, not only in numbers but in "technical excellence."

The regiment had been officially established in 1793 following the Militia Act of 1791. Lt.-Col. Swayze said, although the roots actually went back to the UEL influx during the American Revolution. At that time Lincoln County extended from the Grand River to the Niagara between the two lakes, and four battalions were formed, three of which were along the Niagara frontier.

The Lincoln Regiment, as it was then called, had connections with the Royal Berkshires and the Lincolnshire Regiment in England, and portions of its crest were de-

Here's A Real Poser

WHO CAN WORK OUT FIGURES OF EQUALIZATION SUMMARY?

(By H. G. Mogg, ex-Reeve of Grimsby, and ex-County Councillor)

The glorious month of June! Its happy days brings to us humans, Beves of June Brides, Luscious Strawberries, Flowers and flowering shrubs, a galaxy of Spring and Summer Splendors, and above all the first day of summer—sun tans—bathing beauties—Summer Holidays—the gay shouts of happy children; schools out, and boy, oh! boy, fishing and the long summer vacation, picnics. Who is there that can pick a more glorious month!

But why, oh why, of all the months in the year, have County Councils got to pick this of all months to bring up the CONTENTIOUS SUBJECT OF COUNTY EQUALIZATION OF ASSESSMENT, which deals with next year's taxation?

If this was a peach, cherry, grape or any other kind of blight (and it is a blight on a glorious month), our pest specialists at the Vineland Experimental Farm would have long since produced a spray to exterminate it. But, alas! It is without their jurisdiction. Equalization of Assessment is one of the oldest laws, known to man.

But why, oh why, do our County Councils leave this contentious and all important subject until June? Our Municipal Assessment law says it may be done not later than the First of July—so then Councillors, why not February or March? At which time members have lots of time to give to this all important subject.

Is it, do you suppose, that our County Councils want to emulate the Dominion Government; who are prone to leave all contentious and important subjects, such as estimates and the all important budget, until the closing days of Government session, when every member is homesick (maybe his wife has planned the Summer Vacation); strawberries and cherries are ripe, cheeses have to be delivered; haying is ready, and countless other things call them home. They fairly strain at the leash to get home. Then it is, when they are faint and weary, that these all important subjects arise. They are passed quickly without due consideration, rushing everything at the last minute.

Lincoln County Council has laid at Ye Editor's desk a conglomeration of figures on County Equalization. We doubt if any one has the ambition to sift them out, and who is there among us who is going to do it? First we haven't the figures to go by. In most Counties we get percentages to show County payment, not so in Lincoln—just a total of figures.

So far as the Grimsbys are concerned we don't know what has happened in the other municipalities, as regards to growth. We know we have grown and as always Grimsby will pay its fair share of taxes to the County. We agree that our share should be more—based on the 1945 Assessment Act amendments of the last Session of the Legislature on the calendar year roll, and not on the financial year roll as formerly.

Believing that this has been done, Grimsby has had many new buildings and should pay County tax thereon, but we have no way of telling whether or not other municipalities are paying on their new buildings. Why not show the increases and decreases in each municipality and give us a chance to figure it out!

Grimsby Town has an increase over last year for general purposes of \$22,137, and for Vocational schools and patriotic of \$52,917. North Grimsby is increased over last year for general purposes of \$8,803, and a reduction for Vocational schools and patriotic of \$44,713.

The following figures are a copy of the Equalization summary. Maybe some one can work them out. Remember the time for appeal is short. Can our Reeve tell us, upon what the figures are based, or are these just a group of figures that some one dreamed about? Can we have some percentage, some local assessments—such as are given in most Counties of the Province?

New Block In Offing

LARGE MAIN STREET PROPERTY BOUGHT BY SMITHVILLE MAN

Newspaper Office Visited By Many

Editor Of Smithville Review Says "About 20 Men" Entered Plant—Spilled Pop On Machine Keyboard.

Provincial Police are investigating an incident which occurred Saturday morning at the plant of the Smithville Review.

George A. Adams, owner and editor of the weekly paper, said that about 11 a.m. "about 20 men" entered his office and demanded to know if the Review was setting type for the Hamilton Spectator.

Apparently not satisfied with his answer, the men inspected type in the shop and a soft drink from a pop bottle was poured over the keyboard of a linotype machine, according to Mr. Adams.

The intruders also took four lines of type from a "galley" which was awaiting proof-reading. "They made a nuisance of themselves," Mr. Adams said.

A strike of compositors at the Hamilton Spectator has been on since May 30. It was not known if the men who walked into the Smithville paper office were striking members of the International Typographical Union or sympathizers.

Lot East Of Fire Hall Sold By Chin Ham—Is 50x200 Feet—New Business Block To House Milk Bar And Dairy.

Main Street is going to have a new business block in the very near future, building of which will be contingent on material supply.

The deal was closed last week whereby W. B. Thompson of Smithville, purchased the large property on Main street, east of the fire hall, from Chin Ham (Scotty), proprietor of the Hong Lee hand laundry.

This property has a frontage on Main street of over 50 feet and a depth of over 200 feet. On the land is the old frame house which has housed the laundry.

Mr. Thompson who has been connected with the dairy business, in various ways, in the Smithville area for a number of years contemplates the erection of a substantial brick block which will house an up-to-date soda fountain and milk bar, with the rear portion being used for dairy purposes.

"Scotty" does not intend to close his laundry but is looking for a new location.

The price of sweet cherries for processing has been set for 1946, the minimum price being 13 cents a pound delivered to the receiving station.

Changes Made To Postal Staff

A. B. Bourne After 20 Years Service Retires As Mail Contractor — Mrs. Mabel McCartney Retires.

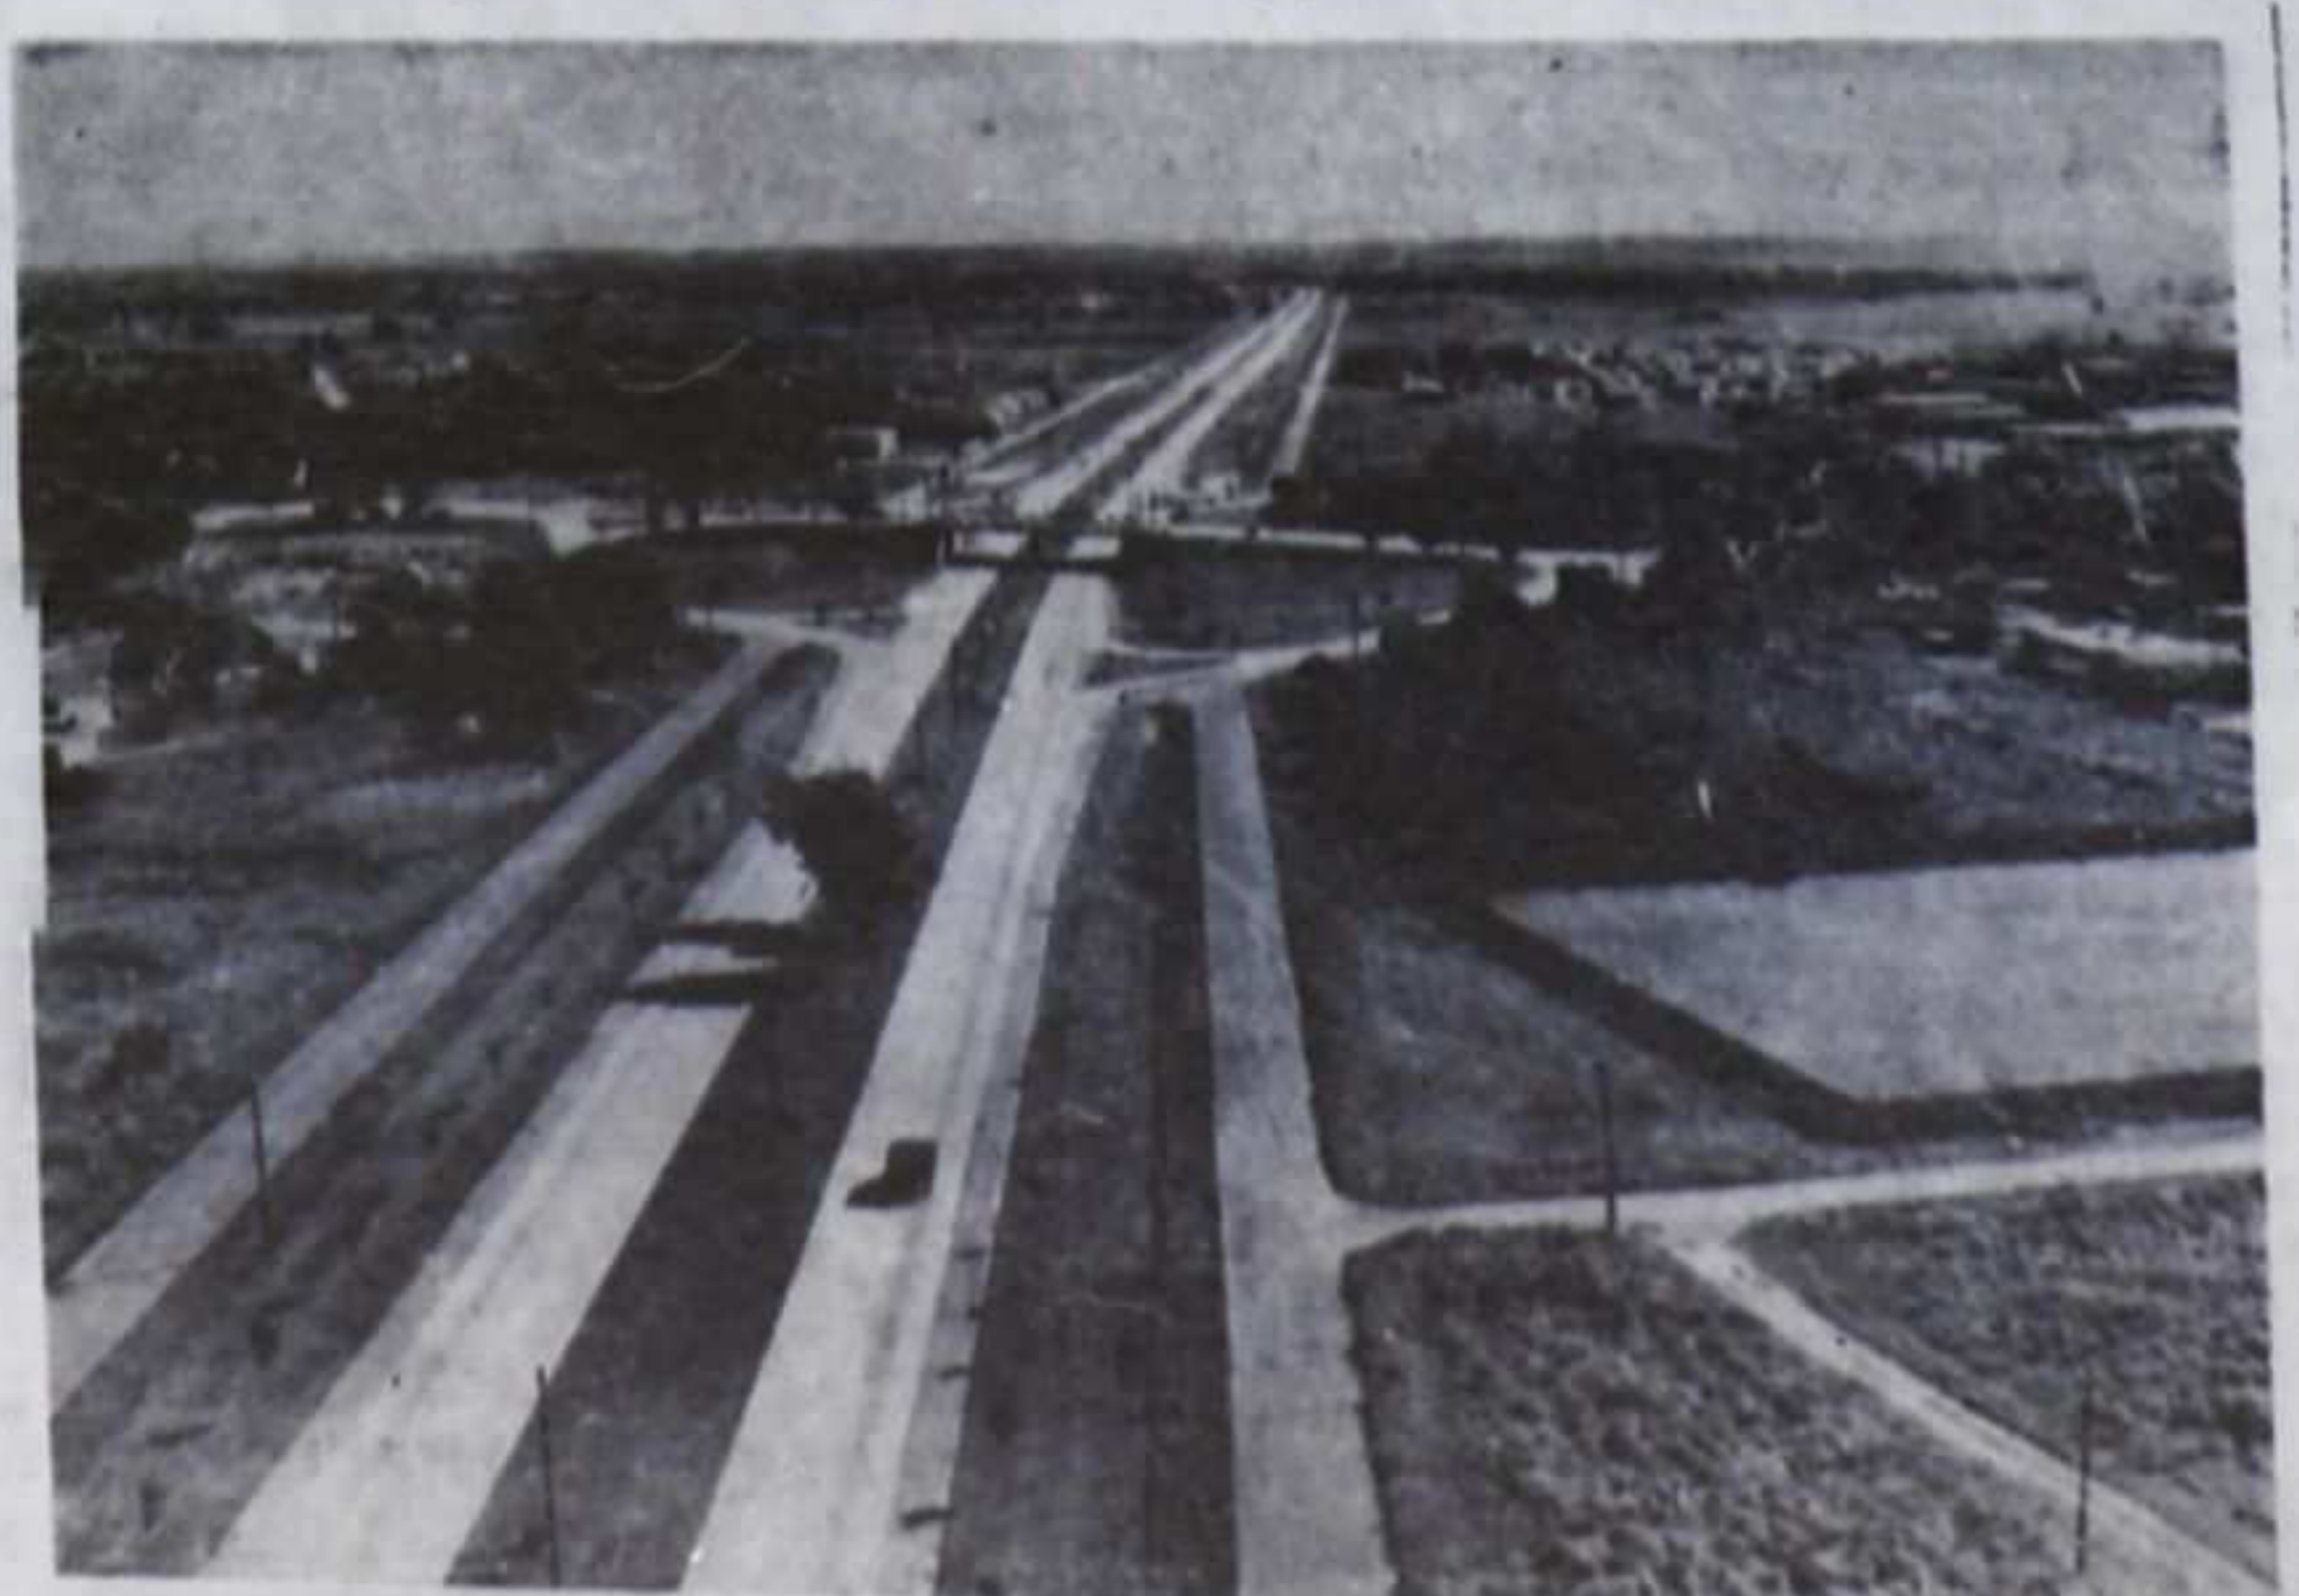

Changes have taken place over the holiday weekend at the local Post Office.

Councillor Alfred Bourne who for the past 20 odd years has carried the mail between the Post Office and the C.N.R. station has given up the contract and has been succeeded on the job by George Warner. "Burr" incidentally has been Canadian Express and C.N.R. Express agent for 37 years.

Mrs. Mable MacCartney who for the past three years and three months has been on the postal staff severed her connection with the local office on Saturday night. Her successor has not yet been named.

Postmaster L. A. Bromley reports that another consignment of rural mail delivery boxes has arrived and is ready for distribution to residents on the newly established rural route in the west end of North Grimsby, below the mountain. No word has been received yet as to when delivery on this route will be started.

FACTS & FANCIES

Frank Fairborn, Jr.

LOVE

A lad had to write a composition on Love:

"Love is something that makes two people think they are pretty when nobody else does. It also makes them sit close together on a bench when there is plenty of room on both ends. Love is something that young people have but that old people don't have because it is all dimples and star-like eyes and curls that old people don't have. It is something that makes two people very quiet when you are around, also very quiet when you ain't only in a different way. When they do talk, it's all about dreams and roses and moonshine. When I grow up I'm not going to fall in love, but if I do, she's going to let me say what I do and let me run the whole show, and that's all I know about Love until I do grow up."

IN OTHER TIMES

Gone, it would seem, is that old well remembered institution of the church strawberry festival, when for one-quarter of a dollar, the ladies would provide all the berries and the cake one could eat.

There was something about those events which brings a certain nostalgia to those in mature years who remember them from childhood. What a rivalry as to what woman could make the best cake, six inches deep, topped with thick sugar coating and with all the richest ingredients.

Then there was the canny and senior member of the church, as a rule, who went around to the farmers and secured a sufficiency of strawberries, never more than three cents per quart box, many times less. Cream was a gift to the event.

So the church prospered by good work and goodwill. The little church in the village or small town or the township crossroads, O tempora; O mores!

A good time was had by all—always.

CANADIANIZATION

The process of Canadianization, in which His Honor, Judge J. G. Stanbury, County Judge of Lincoln, has always shown a keen interest, to the point some time ago of suggesting a dignified ceremony for naturalization was again in focus last week in the Judge's court, when he had a score or more of Czech litigants before him.

When the case was concluded, His Honor took it upon himself, in a tactful and kindly way to suggest to these good Czech people that they could speed up their Canadianization very considerably by Anglicizing their names to some degree, many of which were most difficult for Canadians to pronounce. They could do this without forfeit of home family ties, traditions or birthright, and they would greatly find it to their advantage in social and business contact with other Canadians.

There was a very good reaction to the advice from the bench, and it is evident that there is one attribute the newcomers from Czechoslovakia have brought into the country and that is respect for the law and those who are the laws' representatives. Likewise, the advice as tendered, quite removed from any legal aspect, and delivered in a personal way of helpfulness was appreciated, if a few beaming faces could be any criterion.

It is hoped that the idea, and ideas of the kind are always slow to become realities, for newcomers to Canada to be accorded an impressive ceremony when they become full citizens and take out their naturalization papers will not be permitted to lapse. It is particularly important for the coming years, because this country is certainly going to receive nationals from many nations, looking for a new start in life and for security with it.

The benefit of full citizenship in Canada is something not to be tossed over the counter as a cold legal document. It will be worth every effort to impress new citizens with

their responsibilities, and when they receive naturalization papers is the proper time for it.

MONTY THE FOX

A rare story of inspired intelligence work in the British Army, carried out on the initiative of Field Marshal Montgomery himself, came out of a Press Club dinner in London in which the Field Marshal praised the British correspondents as men to trust and who knew how to keep a secret. They were notable for what they did not write when the chips were down, and gave an instance, as told by the London correspondent of The Ottawa Journal of the importance of all-embracing security operations.

After the break through from the Normandy beaches, during our advance across the Seine into Belgium, Monty was most anxious to locate a particular German division. It was known that the wife of the German General commanding it invariably accompanied her husband wherever his division moved, except of course when it was actually in frontline action.

At last somebody spotted an advertisement in a German paper for a good cook, applicants being requested to communicate with Frau — at a certain address. Frau — was the General's wife and this advertisement enabled the British to determine the whereabouts of that enemy division.

In other words Monty the Fox thought it was a good idea; Cherchez la femme.

HOLIDAY FOR THE FARMER

The question of a holiday for the farmer is raised by the Farmer's Advocate, which points out that if a farm owner wishes to take a few days off he must pay someone to milk the cows, feed the pigs, gather the eggs and see that the cattle do not break into the corn or grain fields.

We suspect that many a farmer, working in the fields on a hot day, has looked with slight envy at his city cousin motoring off on a two weeks' vacation. But it is the farmer's lot to tend to his crops and look after his animals. He can do nothing about it, so must accept his circumstance with philosophical attitude.

The farmer is in a more demanding position than a nursing mother, because he has many hungry mouths waiting upon him. He

must till the fields, and do the hundred and one odd chores that never seem to be completed. When he seeds his fields, the farmer is obligated to weeks of labor. He must work or suffer financial loss. Even after his crops are harvested, there are animals to care for, and the man who wishes a holiday must hire someone to tend them in his absence.

Of course, there is one thing to remember. The city man who goes to the country on his vacation spends a lot of money to be out in the fresh air and sunshine, something the farmer enjoys every day. The city man seeks the opportunity of enjoying the countryside beauty. It is there for the farmer all-year round. The city man searches for some of the color of health enjoyed by the farmer through vigorous outdoor life.

The farmer is charged with much work. But would he change places with the city worker? We doubt it. How many farmers would be happy shut up in a three-room apartment like thousands of city dwellers, without even a square foot of grass? Very few, in our opinion.

The farmer's life is a hard one; but only a farmer can realize its many compensations.

FOR WANT OF A NAIL

The Wall Street Journal reports that manufacturers in the United States have been cutting down seriously on the production of baling wire. The price ceilings have made it unprofitable for the steel mills. One would hardly believe that this condition would affect the meal table, but it does.

Supplies already have been cut by the strikes in coal and steel industries. Lack of baling wire means lack of hay; lack of hay means less feed for livestock, and that in turn means thinner meat animals for slaughter.

It all goes to show what a complex organism modern society has become. And it reveals the same old story, for want of a nail, the shoe was lost, for want of a shoe the horse was lost and for want of a horse a kingdom was lost.

No farmer can bale his hay with shoe string!

The glances that over cocktails seem so sweet,
May be less charming over shredded wheat.

AN INDUSTRY Pledged TO THE FURTHERANCE OF AGRICULTURE

Founded and developed on the basis of helpfulness to the farmer, the implement industry is entirely dependent on the prosperity of agriculture for its own success.

Through the years, the implement maker has, with quality of product and genuinely helpful service, won the high regard and goodwill of the users of his product. There are few farmers who do not value sincerely the service of the implement company.

The farmer and the implement maker have mutual interests in the welfare of agriculture and its progress towards higher standards and improved methods. Working for the common cause both have contributed much to the betterment of farming in general.

In the past, new developments in equipment have enabled the farmer to do his work in less time and at less cost. Such equipment has helped the farmer offset adverse conditions such as drought and soil drifting, to combat insect pests and other types of crop destroyers, and to replace manpower in times of labour shortage. The self-loader, the tractor and power farming machines, the one-way disc and the pull-type combine, each in its time has helped the farmer in making his efforts successful and profitable.

Achievements in the past have been notable and fruitful. Setbacks from time to time delayed but did not prevent the onward march of agriculture. And the future will bring advances in farming, too.

The self-propelled combine, perfected by Massey-Harris prior to the war, is opened up new fields of possibilities in implement engineering, and other new machine developments assure that, in his efforts to further improve agriculture, there will be available to the farmer equipment that will offer greater advantages in saving time, labour and expense. Massey-Harris is proud of its long association with the farmers of Canada in promoting the welfare of agriculture.

MASSEY-HARRIS

• LEADERS IN THE IMPLEMENT INDUSTRY SINCE 1847

American visitors. Plenty of them.

"Bob" Bourne in shorts, riding a bicycle.

Be LOYAL to your Own Community—BUY IN GRIMSBY.

Have you glimpsed Jimmy Baker's new awning? Stripes predominate.

Fred. Bivand interiorly decorating the stores of Fred. Case and the Busy Bee.

George Warner carrying the mail. This is going to disrupt a lot of bowling games.

"Honey" Shelton telling ex-Mayor Farrell what he would give to be a kid again, etc., etc., etc.

Herb. Lindensmith the overworked C.N.R. agent bicycling to work and carrying a lunch basket.

Grimsby Beachers are getting thick. Grimsby stores attested to that on Friday and Saturday.

Hot weather. Beamsvillians on every hand. Wonder why? The same goes for our Southern friends.

Grocers say that "SALMON" is the magic word that starts all the rush and the crush of housewives in the stores.

Town employees Jack Smith and Herb Wilkins trimming the trees and the beautiful hedge parallel to Palmer's hill. A good job.

Willing to lay 100 to 1, that no Main Street in the Province of Ontario, in a town the size of Grimsby, had as much business transacted on it on Saturday as took place in this Old Burg.

If the little tootsie-wootsies of the Quality Market serio-comedy team of Dunham and MacCartney were not tired out on Saturday night, their jaws were. This duo have Abbott and Costello tied to a post—except that A & C. are getting the big "Jack."

Now West Main is in the picture. "Bill" House asks this column to inform "Red" Graham and Syd. Clay and all the other agriculturalists on Paton street that he dug a few new potatoes on June 11th and on June 15th dug a mess large enough to satisfy the inner man of four persons. He has also had new beets on the table.

'WAY BACK WHEN

Frank Fairborn, Jr.

GRIMSBY BEACH POST OFFICE

Tracing the history of Grimsby Park has brought to light some interesting facts regarding the important feature of Governmental facilities, namely, the Post Office.

In the past seventy years the public has been served by no less than four separate post offices under four different names—Grimsby Camp, Grimsby Park, Grimsby East and Grimsby Beach, as shown by the following record.

Grimsby Camp Post Office was first opened on August 1st, 1877, with James Noble as Postmaster. It was reopened on August 1st, 1878, with Noah Phelps as Postmaster, continuing until April 1st, 1886.

On April 1st, 1886, the name was changed to Grimsby Park with Noah Phelps still being Postmaster, which position he retained until the time of his death, January 15th, 1900. On June 20th, 1900, H. B. Andrews was appointed as his successor, while he in turn was succeeded on June 16th, 1902, by Rev. E. A. Chown, followed on June 15th, 1908, by C. M. Gorton. Grimsby Park Post Office ceased to exist at the end of the summer season in 1918.

In the meantime, a new Post Office was established on March 11th, 1912, on the Beach Road outside the Park grounds under the name of Grimsby East, with Beverly Book named as Postmaster, but on July 15th, 1923 his place was taken by Robert Clyde Russ.

On Sept. 1st, 1926, the name of the Post Office was changed from Grimsby East to Grimsby Beach, with the same Postmaster, Robert Clyde Russ. He was followed by Franklin B. Russ on October 19th, 1928.

Then on October 17th, 1940, Allan Mortimer Smith was appointed Postmaster. He is still in charge and has given prompt and efficient service to the community.

In 1944 the Post Office was moved across the Beach Road from the old premises on the west side to the new building on the east side, specially built for that purpose. Being near the Railway Station. Close to the Queen Elizabeth Way and not far from Highway No. 6 it is very centrally located and convenient for the majority of the residents.

There are some persons who are advocating changing the name of the present Post Office from Grimsby Beach to Grimsby Park. Others think it should remain as it is but want a Post Office inside the Park reopened and called Grimsby Park, if not for the year around, at least during the summer season.

Miss Helen Gibson left on Friday for Calgary where she will take up work on one of the Church of England Sunday School Vans. Her district will be in Southern Alberta.

Percy Finkle, of Toronto, was a visitor to The Independent on Wednesday. Percy will be well remembered by the dancing crowd of 30 and 35 years ago as he conducted the dance hall for some years inside Grimsby Beach. This was before the Casino was built.

Mrs. Ralph Medland Boehm, a bride of last month, is a Vancouver girl and a graduate of Queen's Hall. She was accompanied east for her wedding by her aunt, Mrs. James Goddard, who is now visiting in Hamilton with her brother, Mr. Harold L. Crowe.

Charles DelaPlante, John McCausland, A. H. Constable and Postmaster L. A. Bromley, attended the dinner tendered to Viscount Alexander of Tunis, at the Royal Connaught hotel, Hamilton on Dominion Day night, by the Hamilton Canadian Club and the Military Officers Club of Hamilton district.

Mayor Henry and Mrs. Bull are holidaying in Kingston this week.

Walter J. and Mrs. West were Orangeville visitors on the holiday.

Mrs. David Hunter and Miss Sylvia of Ottawa are in Grimsby for the summer.

Mr. Wm. Closs, of London, was the weekend guest of Mr. Harry Closs, of Oakes' Side Road.

Miss Dorothy Turville of Montreal is visiting the next week with Allan Martin, Elizabeth street.

We are glad to report that Mrs. A. M. Misener is slowly improving from a recent attack of pneumonia.

Ken and Mrs. McGregor of Hamilton were holiday weekenders with Adam and Mrs. McGregor, Adelaide street.

Weekend guests of Mr. and Mrs. Fred Bottorill were Mr. and Mrs. Harry Cawthorne and Judith, of Welland.

Mr. R. J. Paynter and family are vacationing with the former's sister Mrs. S. G. Gardham, Elizabeth street.

Mr. and Mrs. W. Ransom, Robinson street south attended the Ransom family re-union in Ferguson on Dominion Day.

Mr. and Mrs. R. W. McBride, of Toronto spent the holiday weekend at Mr. and Mrs. L. G. McBride, Adelaide St.

Public School Principal Ken Griffith, Mrs. Griffith and Miss Evelyn have gone to Manitoulin Island for the summer.

Mr. Frank L. Nealis, of Stewart Manor, L.I., is holidaying with his daughter Mrs. Edw. Marlowe, Robinson street south.

Happy Bridal Couple

Ralph Medland Boehm and his lovely bride, the former Marian Crawford, daughter of the late Mr. and Mrs. D. C. Nixon of Vancouver, B.C. The happy young couple will make their home in Grimsby.—Photo by Harold Whyte, Independent staff photographer.

Mr. and Mrs. Godfrey Neale and Mr. and Mrs. Kenneth Warner and son Keith spent the holiday weekend at Sand Bay.

Births

HAYES—At the Mount Hamilton Hospital, July 27, 1946, to Mr. and Mrs. L. J. Hayes, of Grimsby, a daughter, Susan Heather, a sister for Gail and Bobby.

Congratulations

Mrs. James M. Metcalfe, Main West, celebrated her 91st birthday on Wednesday, July 3rd. Her two daughters from Toronto were present, Mrs. F. H. Cosgrave and Mrs. H. R. Johnston; also her grandson, Mr. Mervyn Johnston and his wife, and her great-grandson, Bobby Johnston. Neighbours and friends called to give her best wishes.

War Brides

Three more brides arrived from overseas on the Aquitania, over the weekend, to rejoin their husbands in Grimsby and Winona. Lieut. Thos E. Jarvis greeted his bride in Toronto where he is now residing.

Mrs. Dorothy Shaw, wife of Pte. E. H. Shaw, 25 Elizabeth street, arrived on Monday.

To Winona came Mrs. Margaret Kettle, wife of Spr. E. A. Kettle, Glover sideroad.

Mrs. Ada Erb and son Thos. J. Symons, 13, wife and step-son of Trp. J. G. Erb, Grimsby Beach.

I.O.D.E.

The Lincoln Loyalist Chapter of the I.O.D.E. have been authorized to collect unused, valid meat coupons (29 and up). Tokens are also acceptable.

By doing this we are greatly assisting in the shortage of meat in Europe. Coupons and tokens received are turned over to the local ration board which in turn sends them to head office where meat to the value of these is immediately released for shipment overseas.

We feel sure you will respond to this urgent need. Our Chapter has authorized Mrs. W. G. Greig, Phone 553 and Mrs. E. J. Glave, Phone 303-J, to collect these coupons and tokens, or any member will gladly give you further information.

Birthday Party

Mr. A. F. Smith was honoured by a birthday party at his home on June 26th.

Entertainment by Mr. Stan Stewart, Mr. Fred Durham, Mr. George Sivell and Mr. Wilfred Reese. Guests were Mr. and Mrs. E. E. Smith, Mr. and Mrs. P. Kearny, Mr. C. Kearny, Miss Long, all of Hamilton, Mr. and Mrs. C. Norman, Mr. and Mrs. H. Stewart, Mr. D. MacMillan and Mr. and Mrs. M. Sweet, of Grimsby.

Many lovely gifts were received by A. F. Smith. The evening was spent in singing and dancing. A lunch was served by Mrs. A. F. Smith, Miss M. Smith and Mrs. C. Norman.

Nuptials

ROBERTSON—ROBINSON
At St. Andrew's Church, on Saturday afternoon, June 22nd, the marriage was solemnized of Clara Irene Robinson, daughter of Mrs. Mary Robinson, Main west, and Arthur William Robertson, son of Mr. and Mrs. George Robertson. The pastor, the Rev'd A. E. Brooks, officiated.

The bride, given in marriage by her brother, Mr. Cecil Robinson, was attractively gowned in blue taffeta, with matching headpiece, and carried a bouquet of mixed carnations. She was attended by Miss Lorraine Thomas, of Hamilton, who wore white embroidered nylon, and carried red roses.

The groom was supported by his brother, Mr. George Robertson, and the ushers were Messrs. Norman Robertson and Albert Mason. Mr. Bertram Webster, organist, provided appropriate music for the ceremony.

About eighty guests attended the reception which followed, the bride's mother wearing for the occasion lilac crepe with white accessories, and yellow roses. The groom's mother wore a becoming dress of rose silk jersey and carried pink carnations.

For the wedding trip to Niagara

Falls, N.Y., and Buffalo, the bride wore a black pencil stripe tailored suit with white accessories. Her flowers were white carnations. The young couple are making their home at 143 Main West, Grimsby.

YORK—SMITH

The marriage of Winnifred Lillian, daughter of Mrs. Smith and the late Mr. Sebert Smith, St. Catharines, to Gerald William, son of Mr. George York and the late Mrs. York of Grimsby, was solemnized in St. George's Anglican Church, St. Catharines, on Saturday, June 15th. Canon Walter E. Bagnall officiated at the lovely ceremony and the bride was given in marriage by her brother, Mr. Bert Smith.

She was charming in a floor length gown of white slipper satin, inset with lace panels, and her long embroidered veil was caught to her head with a band of gardenias. A small gold cross, the gift of the groom, was her only ornament and she carried a cascade of red roses and white sweetpeas. Miss Vera Oakes, as maid of honor, chose a gown of blue sheer and lace, with matching shoulder length veil. Bridesmaid, Miss June Beacock, wore a rose taffeta gown with pink veil, and both maid of honor and bridesmaid carried colonial bouquets of roses, sweetpeas and cornflowers.

Mr. Clarence York was groomsmen, and the ushers were Mr. Andrew York and Mr. Charles York.

Following a reception at Port Dalhousie, Mr. and Mrs. York left by motor for Detroit, the bride changing to a blue ensemble with white accessories.

LAMPMAN—TERRYBERRY

At the home of the bride's parents, Beamsville, the wedding took place on Saturday, June 22, at 2.30 o'clock, of Margaret Elizabeth, eldest daughter of Mr. and Mrs. Joseph Terryberry, to Mr. Walter Edson Lampman, Grimsby, son of Mr. and Mrs. William E. Lampman. Rev. W. J. Watt officiated. Mrs. Gerald McGregor played the wedding music.

The bride given in marriage by her father, wore a gown of white moire taffeta with fitted bodice and bouffant skirt, her floor length veil was held in place by a coronet headpiece. The bride wore the gift of the groom, a matching bracelet and necklace with emerald setting. She carried Better Times roses and lily-of-the-valley.

Miss Lois Terryberry, sister of the bride was maid of honour, wearing a gown of pink eyelet, with a pink shoulder length veil held in place with pink daisies. She carried a nosegay of sweetpeas and lily-of-the-valley. Mr. Daniel English of Hamilton was best man.

A reception for 50 guests was held after the ceremony. The bride's mother wore a flowered crepe dress with white accessories, and a corsage of yellow roses. The groom's mother was dressed in a black and white sheer, with black accessories and a corsage of white roses.

For travelling the bride wore a lime green crepe suit, brown top coat with white accessories, and a corsage of red Talianian roses. After a short wedding trip the couple will reside in Grimsby.

The easiest suit to acquire nowadays is a divorce suit.

July 2nd—To Harold and Mrs.
Winona, a son.
Dawe,

Brownies

On June 18th the last meeting of
the season was held on the lawn of
Trinity United Church Hall. After
a game the Brownies were
called to Fairy Ring for the regu-
lar opening followed by the
Smile Song. Fairy Gold was
collected by the "Magic Moon
Bag Song."

Patricia Scott and Ann Bratton
then brought the District Commis-
sioner, Miss Nina Creet to the
Circle.

Joanne Dick, Ann Braid and On-
dra Farrel then passed over four
stepping stones, each stone repre-
sented a second class test passed.
The first, stone-skipping; second,
rules for safety; third, knots and
fourth, flags; after passing the
fourth stone they arrived at a blank-
et of golden dandelions on which
they stood to receive their Golden
Bar badge from the Commissioner.
Joan Harrison, Judith Baxter
and Mary Jane Burgess then sig-
naled in semaphores. This is a test
they pass for first class work. They
then stood on the golden carpet to
receive their Golden Hand badge.
The Brownies who had received
badges were then given the Grand
Howl.

After the dance, "I Love a Las-
sie" all enjoyed a game of "Giant
in the Forest."

During Pow-Wow the Elves were
asked to collect stamps; Fairies,
leaves; Gnomes, small coloured
stones, and the Pixies were asked
to collect flowers and then to press
them, this is to be done during
summer vacation. All were remind-
ed to be good Brownies during holi-
days.

The meeting closed with a song,
Brownie Taps and after good-bye,
Brownies wended their way home.

An old soak is not the only one
who will sponge on you.

Dinner Party For British Bride

One of the British brides who
reached Halifax aboard the Aquita-
nia last Friday was Mrs. Victor
Shaw, and her husband who has
been anxiously awaiting her arriv-
al had the great satisfaction of be-
ing re-united with his wife as she
came off the boat-train at Toronto
on the afternoon of Dominion Day.
Mrs. Shaw is from Walthamstow,
in Essex County, quite near enough
to the northern edge of London to
have had a full share in the bomb-
ing and destruction which was the
lot of the metropolis during the
war years. It was there her mar-
riage took place on August 11th,
last year.

Mr. Shaw, himself an Old Coun-
try man from Tottenham, not far
from his wife's home, gave more
than two years' service overseas,
being attached to the R.C.A.S.C.
He first came to Canada some 20
years ago, going to the farm of J.
Vollick, at Canfield.

On Tuesday, Mr. Shaw introdu-
ced his friends to his wife at a din-
ner in her honour. The centre of at-
traction on a table laden with all
the good things to which Mrs.
Shaw had long been a stranger, was
a beautifully decorated "Wel-
come to Canada" Cake, made speci-
ally for the occasion by Grimsby
Bakery, where Mr. Shaw is em-
ployed. The guests were Mr. and
Mrs. J. Vollick, Canfield, Mr. and
Mrs. Kitchener Raitton, Smithville,
Mr. and Mrs. Arnold Misener, and
son Robert, Campden, Mr. A. Sny-
der, Mrs. Lillian Asher, Mr. and
Mrs. Wesley Asher, and Mr. Wm.
Chapman.

Mrs. Shaw thoroughly enjoyed the
five-day boat trip, not alone for
the sumptuous meals that were
served, but the accommodations,
too, were all that could be desired
in the way of comfort and conven-
ience.

From the time they left their
homes for the train that would
carry them to the boat's side, these
British women and children were
under the watchful eye of the Red
Cross, with every wish anticipated
and every fear dissipated, until
they were handed over to the safe-
keeping of husband or friends on
this side of the Atlantic. Mrs. Shaw
speaks in the highest terms of the
kindness and helpfulness of Red
Cross officials.

"When I thought of the vast
spaces of Canada and its widely
scattered homes I must own I was
fearful," said Mrs. Shaw, "but now
I've seen Grimsby I'm glad I
came."

Mr. and Mrs. Shaw are making
their home at 25 Elizabeth street.

THANKS, GRIMSBY!

A total of 106 cartons contain-
ing 2250 pounds of clothing was
Grimsby's contribution to the Na-
tional Clothing Collection. Thanks
goes to Mr. Lindensmith for his
handling of this shipment.

It seems that one half of the
world is wondering what the other
half is trying to pull.

MEET AND MIX FROM COAST TO COAST IN CANADA

Ontario Land o' Lakes

IN the storied Thousand Islands region, colorful cruise ships carry visitors through Ontario's scenic wonderland.

All the beauties of this lovely lakeland are only a part of the spectacular attractions for the millions of tourists who visit this favored province each year.

Ontario abounds in exquisitely lovely inland lakes, forests and rivers. There's marvellous sport for the angler—beauty spots everywhere to make a paradise for the camper.

In the other eight provinces, the great influx of post-war tourists will find comparable attractions this year, which seems destined to be one of the greatest in our Tourist Industry history.

The Tourist Industry works two ways—it benefits Canada in dollars and cents, and it promotes friendship and understanding between nations. It deserves the support of everyone.

This message is the fifth of a series supporting the efforts of our Government's Travel Bureau and Provincial Tourist Associations. Offered in the public service by:

BREVITIES

EVENTS and TOPICS of the WEEK in TABLOID

Cherries are dropping badly.

Tomorrow is the first day of summer.

There are a number of cases of chicken pox in town.

The Bowlaway closes for the season on Saturday night.

Art Hewson and Jack Newton are in the North Country on a fishing trip.

Fruit growers are having great difficulty securing enough help to harvest the strawberry crop.

L.A.C. Roy Bowman, R.C.A.F., overseas for three years returned home to Grimsby last week.

West Lincoln Concert Orchestra have been granted Letters of Incorporation under the Ontario Companies Act.

Owing to the housing situation, Niagara-on-the-Lake Board of Education is seeking male teachers that are bachelors.

President Geo. Marr of the Canadian Legion reports that another \$73 has been received for the Cancer Fund which has been added to the \$1,119 originally collect, and forwarded to County headquarters at St. Catharines. Grimsby had the largest collection for the fund in the county on a population basis.

Nearly two-thirds of this year's taxes have been paid into the city of St. Catharines treasury. Finance Commissioner S. K. Watt said in a report to city council. The total levy for the year is \$1,163,760 and \$747,286 has been paid to date, a percentage of 64.21%, the largest ever. In 1942, for example, 59 per cent of the current levy was collected at the first instalment and since that time only slightly more than 60 per cent had been received.

The monthly meeting of the Lincoln County Pensions Board was held last Thursday under the chairmanship of Mr. George A. Headley. Four applications for mother's allowance were recommended by the board and one laid over for further consideration. Three applications for old age pensions were also recommended during the afternoon. Present with the chairman were: George Montgomery, Walter H. Sheppard, Mrs. W. H. Groce, Miss Jean Davidson.

License Plates Will Be Pretty

The color scheme for the 1947 motor vehicle license plates in this Province will be an eye-pleasing aluminum background with black numerals and lettering. A sample has already come off the production line at the Ontario Reformatory at Guelph, and there is no change in size or design. This is the first time that the Highways Department has used this color combination.

Because of the edict of the Steel Controller at Ottawa the wartime practice—depreciated by law enforcement authorities—of issuing only one rear marker for each vehicle will continue for next year.

In 1945 the number of passenger cars and commercial vehicles, totalled approximately 550,000 and 98,000 respectively. Figures for this year are not complete, but up to the present do not exceed those of last year. Department officials doubt whether the peak figure of more than 600,000 in 1941 will be equalled.

Public schools will close for the summer holidays on Friday, June 28th.

The new Mercury 114, will be on display at McKee's garage, Stoney Creek, tomorrow and Saturday.

Grimsby Stove and Foundry plant is closed down this week with all employees having a week's holidays.

The population of St. Catharines made a net gain of 78 during the month of May, according to the report of vital statistics issued by the city clerk's department. During May there were 121 births, the most since April, 1944. There were 43 deaths, and 41 marriages.

You don't hear of many cornerstone ceremonies nowadays. Maybe the black market has cornered most of the cornerstones.

THE ALEXANDER HARDWARE Company, Limited

Hamilton — Ontario

REAL ESTATE

The following sales are reported by the J. J. DelaPlante agency. The 78-acre farm of S. J. Sniderman, on the Ridge Road east, (the former Ike Sweet property) to Wilber Damm.

The Woodview Survey, west of Beamsville, consisting of 100 acres which was bought by W. Congdon, last year, has now been sold off in different parcels of land.

Last summer the first home was erected, which will be enlarged when the owner, retires from his teaching profession. This year a new house, has been completed, and will be occupied within a few days, and another fine home is being erected. The original home on the property has also been remodelled. Miss Congdon now intends to sub-divide another property she owns.

Through the same office, the following farms have just been sold. 8 acres, with buildings, and all in fruit, just west of Beamsville, to K. Migus from Montreal.

50 acres, both Grimsby, with residence, and buildings. Purchaser Mary O. Jolly of Toronto. Vendor Fred Duck.

Cubbing

An Investiture ceremony held in the open air was the highlight of last week's meeting. Two new chums, Jackie Baisley and Mr. ray Shaw took their first big step in Cubbing. Having passed their Tenderpad tests, ing passed their promise before the Pack and were placed in the parade circle about the totem pole.

In the game period the two teams captained by Douglas Kelterborn and Raymond Fisher were

able to edge out their rivals. While Bagheera took up the dues the Sixers instructed their groups in the trial signs that had been used the previous meeting.

This week's meeting will be the last for the season and will be in the form of a picnic. Cubs are asked to meet on Thursday at 6.00 p.m. instead of the usual time.

Varied Outlook For Fruit Crop

(Dominion Department of Agriculture)

It is still too early in the season, states the Dominion Bureau of Statistics fruit and vegetable crop report of June 1, to predict the outcome of the 1946 fruit crops, but in general prospects are somewhat brighter than last year.

In the Maritime Provinces the orchards had not bloomed as at June 1 but with favourable weather during the remainder of the season, the crop should be about normal.

Orchards in Quebec show the result of the unfavourable 1945 season, and production, while larger than in 1945, will be much below normal.

In Ontario, orchards have recovered considerably from the severe damage caused by frost and scab in the 1945 season. The 1946 crop is expected to be about average, while an above-average peach crop is looked for. The prospects for the plum and prune crop are still in doubt but pears and cherries will not be as good as the bloom indicated because of late frost damage. Strawberry production will be heavier than last season, the increase ranging from 5 to 10 per cent in Western Ontario to 20 per cent in Eastern Ontario. Raspberries are about the same as last year.

In Manitoba, the fruit crops were seriously reduced by late frosts which affected the tree fruits particularly.

In British Columbia, the prospects for all crops are bright. Peaches and apricots are particularly promising.

BIG MUSICAL SHOW

Don't forget—Waterloo, Ontario, Saturday, June 29th. All day and evening. Music, dancing, fireworks. The biggest and best musical show in Canada. Held in beautiful natural Waterloo Park. Daylight Saving Time.

GIVE THE KIDDIES

to carry out these procedures, or,
if you prefer, they can be done at
the child health clinics sponsored
by the Women's Institutes and
staffed by members of Lincoln
Health Unit.

The following clinics are held reg-
ularly in the western part of Lin-
coln County each month.

Beamsville — Health Unit Office
— 1st and 3rd Thursday.

Grimsby — St. Andrew's Parish
Hall — 1st and 3rd Tuesday.

Smithville — Fire Hall — 2nd
Tuesday.

TWO ALARM BLAZE

they have had to contend with
since the Merritt Bros. basket fac-

Cold Storage Co., blazes of 1941.
They were successful in saving a
nearby building filled with thou-

destruction.

This fruit loading platform was
constructed about 25 years ago
when the old track-level platform
and station on the west side of
Park Road was razed by the C.N.R.
This platform stood on the north
side of the tracks east of Park

Plans are already under way to
build a temporary platform on the
same site. In the meantime all fruit
from the Beach area is being hand-

COUNTY RATE

general administration committee
presented by Reeve R. A. Saunders
of Beamsville, providing for minor
repairs at the county jail. A re-
quest for a grant to the War Mem-
orial Fund of the Lincoln Loyalist
Chapter I.O.E. was received by the
Patriotic Committee but was
deferred for future action.

Acting upon the recommendation
of Deputy-Reeve J. D. Taylor,
chairman of the agriculture com-
mittee, the council authorized the
arranging of a meeting of the local
municipal weed inspectors with the
county weed inspector regarding
control of weeds in Lincoln this
year. The committee was also given
power to act in the matter of the
purchase of a weed sprayer,
chemicals and other necessary
items.

A motion that the road commit-
tee familiarize itself more with the
details of the operations of the
road department so that when
questions arise in council proper
explanations and information may
be more readily available drew a
minor storm upon the heads of the
councillors yesterday afternoon.
The question arose out of a dis-
cussion regarding the hiring of
privately-owned trucks for road
work by Superintendent F. E.
Weir.

Reeve William E. Heaslip of
Gainsboro objected to the wording
of the motion in that it censured
the committee and the motion finally
passed when it was re-worded to
read that the members be fam-
iliarized by the road superintendent
regarding road operations.

Three bylaws were presented
late yesterday afternoon, one au-
thorizing an agreement for instal-
lation work by the H.E.P.C. on
county owned land at the Indust-
rial Home. The other two bylaws
provided for adjustments to the
salary of Road Superintendent
Weir and his car mileage and the
retainer of the county solicitor.
Council then adjourned until Tues-
day, July 16th.

6,000 MEN PASSED

rived from each of those units. It
participated in the many wars and
incidents which form a part of
Canadian history, even providing
95 volunteers to help defend Tor-
onto during the 1837 Rebellion.

At a later date the regiment was
split into the 19th and 44th Battal-
ions and during the 1914-18 war it
reinforced a number of overseas
battalions. In 1939 the present Lin-
coln and Welland Regiment was
mobilized, and after tours of duty
on the Welland canal, at Nanaimo
and in Newfoundland, the unit pro-
ceeded to England in June, 1943.

As part of the 4th Armored Div-
ision the Lincs went to Normandy
in July, 1944. Lt.-Col. Swayze said,
and went into the line south of
Caen. From then on the unit took
part in practically every action
until victory was won in Europe.
On V-E Day the Lincs were in
northwest Germany, midway be-
tween Aldenburg and Wilhelmsh-
aven.

Among the better known exploits
of the Lincs were the capture of
Trum which helped seal the Falaise
Gap, the first crossing of the Seine
near Criqueboeuf, the crossing of
the Bruges-Ghent canal in Bel-
gium, the capture of Bergen-op-
Zoom in Holland, the six-day, mid-
winter battle on Kappelsche Veer
along the Maas River, the Hoch-
wald Forest fight, and the push
across the Rhine into northwest
Germany.

A nerve specialist says the less
you do, the more vitality you will
have. Some men should be human
dynamoes.

98th Reunion Is On This Sunday

All arrangements are now com-
plete for the reunion of veterans
of the old 98th Battalion to be held
in Queen Victoria Park, Niagara
Falls, on Sunday next, July 7th, to
which the veterans are urged to
bring their families, particularly
sons and daughters who served in
the recent World War. Silver
Cross mothers and widows of 98th
Veterans are also particularly in-
vited. The Lincoln & Welland Reg-
iment will provide the armed es-
cort and the Canadian Corps Kiltie
Brass Band of Niagara Falls are
generously donating their services
for the depositing of the Regimental
Colours in St. Andrew's Church.
Veterans will assemble at the
armouries, Victoria Avenue, and
Fall in at 11:30 a.m.

The reunion will take the form
of a basket picnic, the South Pavil-
ion in the Park having been re-
served for the purpose. A definite
effort to organize the veterans
throughout the area will be made.

Many Cottagers Arrive At Beach

The following cottagers have ar-
rived for the season.

Mrs. John Pearson, Mrs. E. Pur-
vis, Mrs. Robert Parker, Mr. and
Mrs. H. Backus and daughter, Mr.
and Mrs. L. A. Pugley and Ron-
ny, Mrs. J. Townsend, Mrs. Hugh
Martin, Mr. and Mrs. Fred Thomp-
son, Mr. and Mrs. B. Donovan, Mr.
and Mrs. Geo. Barber, Mr. and Mrs.
Stuart Sorley and Dean, Misses
Davies, Miss L. Simonds, Mrs. T.
Hanley, Mrs. Barrington Garnham,
of Cuba, Mrs. George Lindsay, Sr.
Mr. and Mrs. Harold Dennison and
Carol, Mr. and Mrs. H. Harwood
and Miss Harwood, Mr. and Mrs.
L. Eames and family, Mr. and
Mrs. Geo. Woodley, Mr. and Mrs.
P. Davidson, Miss L. Howell, Mrs.
Barlow, Mrs. E. Burgess, Mayor E.
S. Noble of Kapuskasing, Mr. and
Mrs. Hiles Templin, Major and
Mrs. Tuck, Miss B. Adams, Mr. W.
Coon, Mrs. John McClelland of
Grimsby.

Mrs. T. C. MacWilliams of Mon-
cton, N.B., is occupying Mrs. C.
Bonham's cottage.

Mr. and Mrs. A. Constable of
Grimsby have taken Mr. George
Barber's cottage on the lake front.

Mr. and Mrs. Fred Thompson of
Toronto are occupying Mr. Don-
ovan's cottage.

Mr. and Mrs. H. A. Robertson
and son Donald of Renfrew.

Dr. and Mrs. J. V. Christie of
Hamilton.

You can tell when the world gets
in the old groove. The English
channel will be full of folks trying
to swim it.

Insects must have a language,
otherwise how would all of them
know when the picnic lunch has
been spread.

Where Good Neighbours Meet

Texas, Idaho, California, Maine . . .
think of any State you wish and you're
sure to see its name on the license plate
of a car somewhere in Canada during
the summer. Each year, with the
unerring directness of migratory water-
fowl, millions of American tourists come
north to Canada. They come because
Canada offers them Nature—unspoiled
and unblemished. They come to revel in
those joys of the outdoors which we
Canadians are prone to take too much
for granted.

In their travels and during their stay here
the money they spend forms the basis of
a \$150,000,000 industry, bringing an
added measure of prosperity to all of us.

Like any asset, the tourist industry must
be protected. This we can do most
surely and easily by protecting and
conserving the heritage of natural beauty
and wildlife for our own enjoyment as
well as theirs.

Every Canadian, as a shareholder in
Canada's natural wealth, has a vital
interest in the conservation of this
heritage.

Conservation is not just a doctrine to be
preached to hunters and fishermen. It is
a vital part in the continuance of our
national economy, and must, of neces-
sity, fail if its measures do not receive the
full support of all Canadian citizens.

FEEL PINCH OF STEEL STRIKE

Five Grimsby Factories Already Running Short Of Steel Supplies — Basket Plants Pool Their Wire — Fruit Industry Faces Terrible Loss If Containers Not Obtainable — Two Weeks Production The Limit.

Directly and indirectly the steel strike, now in its second week, is already having an effect upon Grimsby manufacturing plants. Up to date no lay-off of men has occurred, but if the strike is not settled very quickly that situation is bound to happen in local plants. At least five factories in Grimsby are already feeling the pinch.

All three basket factories are operating on the narrow edge owing to the scarcity of steel wire for the basket making machines. These baskets all being stapled together with wire.

All factories between Windsor and the Niagara river whose material purchases and basket sales are handled through the Canadian Package Sales Co., have pooled their wire supply. At the very best this supply in all factories will be exhausted within two weeks. That means that the production of fruit containers will cease, which will

(Continued on Page 7)

Processed Fruits Of High Standard

Canadian Method Of Grading Canned Products Is One Of The Very Best—Public Protected.

Canada has one of the best grading methods of canned products, said H. C. Aitken, Food Technologist, Horticultural Division, Experimental Farms Service, Dominion Department of Agriculture, in the course of a recent address on fruit and vegetable canning. There are four quality grades — Fancy, Choice, Standard, and Sub-standard—in canned fruits and vegetables in Canada and the grade must be shown on the cans of the products processed in factories under government permit. The grades are determined on each manufacturer's pack throughout the Dominion by inspectors who decide the grade according to regulations under the Meat and Canned Foods Act.

The highest grade is Fancy; Choice, second; and Standard, third. Sub-standard refers to products which are fit for food, but are below Standard quality and cannot be sold through retail outlets.

Weed Inspectors Hold Conference

The problem of weed control throughout Lincoln County was thoroughly discussed at a meeting of county officials with the weed inspectors in the county building in St. Catharines on Monday.

Under chairmanship of Deputy Reeve J. Douglas Taylor of Louth township the members of the agricultural sub-committee of the Lincoln County council discussed mutual problems with County Weed Inspector Norman Billyard and the

Here's A Tip For County Council

(Hamilton Spectator)
Something new has been added to Wentworth County Council sessions.

Before the July meeting this week, councillors who had proposals to make would write them out and lumber or scamper—depending on their height and girth—toward the Warden's chair.

(Continued on Page 7)

CAPACITY OF HOSPITAL OVER TAXED ON SEVERAL OCCASIONS

\$268,787 Must Be Raised By County

Grimsby's Portion \$17,259—
Township Pays \$24,251—
Beamsville \$8,280 — Chest Of Silver Presented To Asst.-Clerk.

At the close of the July sessions of the Lincoln County Council last Tuesday afternoon, a bylaw was passed to raise the sum of \$268,787 from the various towns, villages and townships for county purposes this year. Passing of the bylaw completed the month's business in one day for the council.

In order to raise the sum noted in the bylaw for the county this year the following levies are to be made on the municipalities of Lincoln: Niagara-on-the-Lake, 9,712.43; Merriton, 23,977.10; Grimsby, \$17,259.88; Port Dalhousie, \$9,726.20; Beamsville, \$8,280.86; Niagara Twp., \$33,416.49; Grantham, \$37,104.04; Louth, \$32,574.38; Clinton, \$30,756.03; North Grimsby, \$24,251.50; South Grimsby, \$10,357.07; Gainsboro, \$19,189.04; Caistor, \$12,181.98.

Accepting the resignation of Miss Marie Killins, assistant-clerk, who is leaving the staff of the county to be married shortly, Warden Robert Johnston on behalf of the

(Continued on page 7)

Will Open New Tennis Courts

Mel Johnson, of Johnson's Hardware, is to be congratulated upon his enterprise and public spirit. He is going to fill a long felt want in Grimsby, particularly for the younger generation.

Last Spring he purchased the old Grimsby Club property. For a number of years gone by, the large block of land behind the Main St. building was one of the finest bowling greens in Ontario. During the war these greens fell into disuse. Now Mel is putting one half of the original playing sward into shape for bowling again, but the greens will not be ready for use this year.

The other half of the old greens have been transformed into two fine official size tennis courts and these courts will be open for public use about the latter half of next week. His idea with the courts being to give the younger generation a spot for fun and relaxation.

He is to be commended upon his good work along this line.

During Month of June 88 Patients Treated — 35 X-Ray Examinations Made — Average of All Beds Occupied Was 71 Per Cent — Several Patients From Outside Points — In This Land Of "Milk And Honey" Institution is Compelled to Pay Top Prices For Fruit And Vegetables, How Come?

The end of the first six months of operation of the West Lincoln Memorial Hospital finds the institution getting well settled down to its regular task.

After the opening in January there was still much to be done in the task of completing the equipment, and building up the confidence of the public. One problem after the other has been ironed out, not without plenty of effort on the part of administration and staff.

The following report of Miss Douglas MacRobbie for the month of June gives some idea of what is being done:-

ADMISSIONS

Male	7
Female	41
Newborn male	10
Newborn female	10

Winona	5

From the above it will be noted that all Departments including Surgery, Obstetrics and Medicine are now in full use. At times the Hospital has been taxed to over capacity, then things will be quiet for a while. However, for June the average of all beds occupied was 71%.

Leading Surgeons and Consultants from Hamilton and other Medical centres, state that they are pleased to come down, the layout is good, results are splendid and the after care and attention is such as to produce good results.

Our local people who have had occasion to use the Hospital are most pleased with the service, which is both convenient for the patient and family, to say nothing of saving in time and expense in having to travel to outside points.

Every season seems to bring its crop of troubles, including people falling out of cherry trees, resulting in broken arms, legs, etc. During the past month 35 X-Ray examinations were made of such cases.

The more recent addition of Awnings by the Women's Institute of Abingdon, has done much to improve the appearance of the building and add comfort to the patients.

For those who have to struggle with the ever increasing costs of doing things, their lot is not without problems. Believe it or not in this Garden of Canada, top prices are being paid by the Hospital for fruit and vegetables, both for immediate consumption and cold storage. Miss MacRobbie states she has 272 quart containers still to fill for storage. If she had some berries, she could put away berries and cherries if she had the cherries.

Rural Mail Route Serving West End

On Friday last the new rural mail route in the west end of North Grimsby, below the mountain, was brought into being. Mr. Robert Forsythe, the courier, is now making his daily trips over this route. At the present time there are 52 families who have their mail boxes in place and are receiving mail. This number is only about one-half the number of householders that live along the route but no mail is delivered where mail boxes have not been erected. There are still several boxes at the Post Office for householders to call for.

Until such time as Mr. Forsythe can secure a car or light truck he is making his daily trip with a horse and buggy.

Beverage Room Hours Changed

The Liquor Authority Control Board of Ontario have issued a new set of hours for the operation of beverage rooms, which came into effect on Tuesday.

Henceforth beverage rooms will be open from 11:30 to 2 p.m.; 4 until 6:30 p.m.; 8 until 10 p.m., except on Saturdays and public holidays when the afternoon closing period shall not apply. The hours of sale must also be observed in dining rooms that serve beer and wine therein.

Each authority holder MUST open his beverage room on Tuesday and Thursday nights at 8 p.m., and must so arrange his supply of beer to remain open on such two evenings for at least one hour.
